*****SOCIAL REPORT*****

Dear Gospyans,

Welcome back to reality after that wonderful and well deserved Easter break.

We are now entering the part of the social calendar where Gospyan's will find out the true meaning of "PUMP", and it all starts on May the 13th at the TOUCAN CLUB. This is one club yet to be exploited by any of the Greek youth groups, for the pleasure of their members.

Other events coming up in the future are the annual Gospya Fashion Parade(July), the Debutante Ball(October), and the huge Combined Youth Groups B & S Ball(August).

What the Gospyan committee, and in particular the social committee, is trying to establish this year is a trend towards 'WIDER VARIETY'. This includes not only new and more exciting venues for our night functions, but for our daytime events as well.

The biggest thing Gospya needs is you, our members. Participation is what makes a good time even better, so remember YOU are Gospya's greatest resource. If anyone has any suggestions, please do not hesitate to come and see Fritz or John Vamvakaris or any of the other committee members. It doesn't matter how zany or ridiculous it sounds, because it might just work!

Don't forget about the youth conference that starts on May 4th. Look for more information and registration forms on the back page. Also, don't forget that the May 13th Toucan Club night is a FREE MEMBERSHIP night, so if you want to become a member or renew your membership just enquire at the door.

REMEMBER, MAY 13th - BIGGER THAN LARGE- TOUCAN CLUB.

HOW MANY DEBUTANTES DOES IT TAKE TO CHANGE A LIGHT BULB ?

Well, we haven't got a clue...but maybe this great mystery can be solved at our Annual Major Function - THE DEBUTANTE BALL! Girls and Guys, I know you've all "dreamed" of being part of a Debutante Ball and here's your opportunity. Plans and organising have started for a night that will be bigger and better than any other year. Should you wish to be part of the evening - whether as a Deb, Deb partner or help with preparations - please do not hesitate to chat with either:

As this newsletter is only of a small magnitude my report will not be very extensive. I will quickly sum up the progress in the relevant sports mentioned below, and will present a more in depth report when a full newsletter is released.

I would also ask that anyone interested in the sports that GOSPYA partakes in, please contact either the committee or me. I am contactable on the phone number 3457425, and am interested to hear from people with regard to sports.

TENNIS: For those members who remember the tennis tournament held by APYGON and GOSPYA early last year, start practising again because negotiations are under way for this year's tournament. Although formalities have not been settled it appears that the likely venue will be LAFFS on Creek Road. I will keep you posted as to when the date and other details are set.

VOLLEYBALL: Numbers at Monday night volleyball have become somewhat depleted lately. Our goal is to get everyone to play a game, so if you thought that we only wanted actual players then you were wrong.

Anyone interested in playing please come along, as there are no set teams each week, and we will make sure you get a game.

SOCCER: As the soccer season is no doubt upon us, GOSPYA's soccer team is also in on the action. I will be presenting a full report from the boys in the full newsletter. Our team has always had a strong standing in soccer circles and this year the team aim to be premiers.

BASKETBALL: As you are probably aware by now GOSPYA has two teams playing this season. The draw of game times was issued in the last newsletter and hope that interested spectators will turn up when possible. The second team plays in the BRISBANE BASKETBALL COMPETITION, on Sunday nights at both NUDGEES COLLEGE and AUCHENFLOWER BASKETBALL STADIUM. The draw for this team will also be issued in the next newsletter.

TOUCH FOOTBALL: GOSPYA has been approached to back a touch football team for this year. Talks are still underway between the team and the committee, but it looks as if we could be adding this sport to the list of GOSPYAN teams. I will keep you informed as to the progress in this regard.

That wraps up the mini-sports report for now. More sports news to be released in the full newsletter.

Peter Delibaltas.
